MEDIA RELEASE

DATE: October 7, 2019 RELEASE DATE: Immediate

FROM: Jim Crawford, Corporate Manager, Human Resources

SUBJECT: Director of Engineering

We are pleased to announce that Mr. David Jackson has accepted the position of Director of Engineering at the City of Sarnia. The position oversees the Engineering, Transit and Public Works divisions. He officially starts in the position effective today. Mr. Jackson has been with the City of Sarnia since July, 2017 in the role as Manager of Development, Transportation and Transit. Previously he was the Manager of Capital Works with the City of St. Thomas and Environmental Service Engineer with the City of London.

David received his Bachelor of Engineering Science from the University of Western Ontario and holds a graduate diploma in Public Administration. He is a registered Professional Engineer (P. Eng.) and is a certified Professional Project Manager (PMP).

"This advancement is a natural progression for David. We look forward to him continuing to effectively work with Council and our external partners to address opportunities related to infrastructure and efficient delivery of services, while staying cost effective. David is highly respected among his colleagues and he has shown the leadership and talent to successfully tackle obstacles and challenges," stated Chris Carter, Chief Administrative Officer.
